

**Modern Vastu Science Academy –
Level (III) - Research Course -**

**This course is after completion of Level(I) &
Level(II) course syllabus**

**Level (I) – Basic / Foundation Course
Syllabus**

● **INTRODUCTION OF THE SUBJECT "VASTU-DESIGNS"**

- Approach, Upcoming Traditional Vastu Shastra, Philosophy of Indian Traditional Shastras, Science - Vidnyan –Art.
- Scientists– Vaidnyanik - Artists, Technology –Technologists -Technicians.

● **METHODS OF BUILDING PLANNING AND DESIGNS**

- Indian Traditional Vastu shastra (Not in practice)- History, Syllabus, Utility, Short Comings, Downfall, Building at Existence.
- Contemporary Architecture (In Practice) - History, Syllabus, Utility, Shortcomings, Progress, Buildings at Existence, Allied Subjects for Structures, R.C.C. Designing, Interior Designs, Landscape Designs.

● **MODERN VASTU SCIENCE - ITS NEED AS A NEW SUBJECT**

- Vastu, Vastu & human body, Vastu as a Product, Vastu Scientists - Vastu Technologist- Vastu Architects, Vastu Technicians, Vastu Tech-To be established.

● **MODERN VASTU SCIENCE FUNDAMENTALS**

- Magnetism in the Earth, Magnetic Compass, Magnetic Axis, Magnetic Directions, Natural Directions, Earth Movement - Earth's self Revolution around its Own Axis.
- Sun or Solar Movement, Wind Flow Movement, Zones inside the Vastu /Buildings, Clockwise Movement, Slope of Plot - Slope for erecting Vastu, Shape of Plot - Shape for Planning the Vastu.

● **MODERN VASTU SCIENCE GENERAL TERMS**

- Entity, Convenience, Climatology, Environment, Load at the South West, Proportions, Bone Theory, Concentration, Comforts, Heat and Energy.

● **MODERN VASTU SCIENCE RELATIONSHIP WITH PRESENT SCIENCE AND VIDNYAN**

- Science Faculty, Vidnyan Faculty - Physics, Geography, Geology, Geometry, Mathematics, Psychology, Hygiene, Zoology, Botany, Colourology.
-

Level – II -Vastu Design Course

Syllabus -

● MODERN VASTU SCIENCE RECOMMENDATIONS

- Recommendations for Selection of Plot -Magnetic Axis of plot, Grand Slope of plot, Shape of plot, Nature of soil of a plot, Environmental surrounding of building, Bones in the Ground, Adjacent Road, Modern Vastu Science - Recommendations for Essentials
- Recommendations for Inside the Plot - Compound Wall Gate, Building Vastu Location, Underground Water, Storage Tank, Overhead Water Storage Tank, Septic Tank, Swimming Tank, Place for Tulsi- plant (Tulsi Vrindavan Drainage Line, Gardening and Plantation, Pathway (Pavement), Garage/Outhouse, Parking.
- Recommendations for planning of Main Building i.e.Vastu–Magnetic Axis, Shape & Dimensions, Slope of the Floor, Inside Height, Entrance and Rare Door, Window Positions, Elevated Height Totally, Cross Ventilation, Elevational Treatment(Aesthetics), Plinth.
- Recommendation for Room Placements inside the Building i.e. Vastu (Residence)– Entrance Lobby/ Varandah, Pooja Room, Utility Room –Bathroom, Kitchen, Storeroom, Bedroom, Staircase, Dining Hall, Sitting Room/Living Hall, Central Open Duct/ Chowk, Basement, Floors, Porch, Terrace, Meditation Room, Toilets, Upper Floor Room Locations, Colouring, Weightage at the time of Planning.
- Recommendations for Vastu of Factory Premises - Recommendations for Selection of Plot, Recommendations for Essentials inside the factory premises, Additional Recommendations –a) Location of other buildings other than main factory Building like Stores, Godown, Canteen, Parking b) Weigh bridge c) Watchman’s Cabin d) Offices e) Entry Gate f) Exit Gate g) Toilets, Recommendations for Main Factory Building, Rooms of Compartments Sections inside Main Building - a) Clockwise flow chart For manufacturing process i.e. lay-out of Machinery and Equipments b) Entrance c) Raw Material Stocks d) Boiler / Ovenc) Machinery and Equipments f) Packing g) Finished Goods h) Basement i) Plant Incharge Cabin j) Colour Scheme.
- Recommendations for Extension of Building/Vastu, Recommendations for some Typical Vastus - Bungalow (One tenement residential Vastu), Twin Bungalow, Row Houses, Multi-Storied / Ownership Buildings, Public Buildings, Hutments (Zopadpatti), Temples/Places of Worship, Recommendations about other Elements - Pets, Indoor Plants, Sleeping Arrangements, Kitchen / Cooking platform, Recommendation about Construction Elements - Building Material, Construction Methods.

● ART/ AESTHETIC

- Elevation Treatment, Building outside Natural Harmony (Aesthetic), Invention, Summary- Need for Vastu Science (For residence), Modern Vastu Science : Town Planning.
- Municipal By-Laws.

● ACTUAL PLANING & DESIGNING

- Bungalow, Apartment & Industry.

- **SITE VISITS**

- Bungalow, Apartment & Industry.
-

Additional Syllabus for – Level (III)-

- Research student should choose one of Modern Vastu Science rule.
- He should visit more than thousands places & collect the data given by guide
- To prepare the sketch of each visited place.
- Weekly he should submit the collected information such as place & sketches.
